If you need to switch with someone, please arrange to trade dates on your own and notify the church office so the information is corrected for the bulletin. Marv Kuipers is also available at times. Any problems with finding a trade, please notify Doug Obermoller OR Bob Wieme. Note that the asterisked dates for Sundays are the weeks that we also need Wednesday Lenten Services manned. The person having Sunday will also do sound for that following Wednesday. I'm also scheduling persons for Maundy Thursday and Good Friday. Please volunteer for Thanksgiving and one of the Christmas Eve services if you know you will be around. Thanks for your help.
