Vernon Chappel

As a highly respected vessel of praise and worship, Minister Vernon Chappel has traveled coast-to-coast in the U.S. and to several other countries. Sing A New Song, from First Tribe Media, spotlights riveting original melodies and a special friend. While his composition, *Praise Jehovah* as recorded by Evangelist Beverly Crawford (who appears on Chappel's national recording debut) became a bonafide gospel classic, there are also several different sides to this California native. Many other gospelteers such as Vickie Winans, Dr. Bobby Jones, and Crawford have given their stamp of approval regarding his worship leading abilities.
