Monthly Newsletter

Exciting things are happening with our Children's Ministry! We are starting a children's choir and we're praying that ALL of our children (K-6th grade) will be a part of this incredible venture.

We believe that singing builds community and enriches all areas of a child's life. What a blessing it will be for our children to experience the power and spirit of creating music together!

We welcome ALL parents and children to join us for a **brief**

Informational meeting immediately following the worship service **TODAY**. We'll meet in the Children's Church room to hear all about the **EXCITING** plans. Hope to see you there!

Curriculum

Writing

Teaching our children Biblical principles is so important. Guiding children to a deeper relationship with God, by way of imparting knowledge about the Scriptures is one of our ultimate goals.

A faithful and dedicated group of servants have initiated the writing of a new curriculum for children's church.

An invitation to join the group is wide-open to anyone interested ...adding your name to the roster is easier than you think! Simply inform George of your intent and he will gladly give you all the details.

"Each of you has received a gift to use to serve others. Be good servants of God's various gifts of grace..."
1 Peter 4: 10-11 (NCV)
