

Please return this form to your team leader.

Skill/Interest Sheet

Every ADULT participant of the mission workteam will need to fill out this sheet. Check all statements that describe your work experience in each category. Please give an accurate assessment of your experience. This information is important as we prepare for your arrival, determine workteams, and select worksites for your week at Hinton. Please note any other home repair experience (what you have done on prior workteams), special interests (like painting, enjoy children, gardening...), and any relevant information (fear of high ladders, allergic to bee stings, etc.) on the space provided at the bottom of this sheet. We welcome and need all levels of experience as well as your desire to learn and share your ministry with others!

Name _____ Age _____ Gender _____ Church _____ Occupation _____

1. Painting

- I have no experience.
- I have painted an interior room or exterior of a house.
