

Bulletin Insert info for Equipping Our People event

In an effort to give people a common jumping off point for discussions regarding the changes to the Book of Order, as well as changes to the ordination standards that were adopted by PCUSA this past summer, the Resourcing Congregations Committee of Eastern Oklahoma Presbytery has invited the Rev. Dr. Paul Hooker, a member of the task force that authored the changes, to come and speak about the new Form of Government. Rev. Hooker will have a two hour presentation to share, which includes the theology behind the changes, as well as some Q&A time.

In addition, we have scheduled a separate session called "Q&A on 10-A", with our General Presbyter, the Rev. Dr. Greg Coulter, to specifically address questions and concerns about the changes to the ordination standards.

This presentation is open to *all interested parties*, and is scheduled for Saturday, February 11th, 9:00-3:30 p.m. at John Calvin Presbyterian Church, 8181 E. 31st St., Tulsa, *and* FPC McAlester, 3rd & Washington, McAlester. Please check the Presbytery website (www.eokpresbytery.org) for the schedule for each location.

There are also workshops available for church officers and other church leadership, so plan to join us for the whole day, if you can.

Although there is no cost to attend, you must register so that we know how many people to prepare for.
