

Agreement with EOP

To the Malawi Partnership Committee, EOP,

Date_____

We the congregation of _____ Church, residing within the confines of Eastern Oklahoma Presbytery, USA, have agreed that we are interested in Twinning with a sister church in Malawi, Africa. We promise to make contact with our twinned church during 2012, and make steps toward completing the Memorandum of Understanding with our new Partner. Our session has approved sending donations (\$500 per year suggested) to our Twinning Partner in Malawi through EOP. We further understand that this commitment is for 5 years (until 2017).

May God's grace be with us in this venture and His love guide us while we make new friends, learn about new cultures, and see God's hand working throughout the world!
