Children's Sunday School

A quick update on what the Children's Sunday School group has been up to: The Children's Sunday School classes celebrated Promotion Sunday on August 30 and enjoyed "Promotion Sunday Sundaes" with the youth group - this was a celebration of the children who would be "promoted" to another class or age group.

The children are also beginning a study on New Testament books of the bible, and they have also been taking up a Sunday School offering.

A project the children have been doing - a project that they came up with and chose themselves - was to purchase a duffel bag and put something special, like a teddy bear and cards from them, in it---they want it to go to a foster child who, without the gift, would be forced to carry belongings in a trash bag.

Stay tuned for more updates on how our youth are expanding their knowledge of Jesus, the Bible and relationships with others!
