- **The Altar:** Prayer and Praise session – Once a Quarter (Open invitation to other Youth Groups)
- **All Night Prayer Session in October/November.**

Quarter Plans

January – March: The Preparation.

This quarter will focus on developing core values that prepare us as youths and young adults to face the challenges of living our lives as Christians in a secular environment. We would be looking at issues such as integrity in school and work, dealing with positive and negative peer pressure, making a difference and much more.

April – June: In Da Know.

Our focus in this quarter would be on personal development and issues that relate to each individual. We will be tackling tough questions like, “How do I know God’s purpose for my life?”; “how to develop good inter-personal relationships” and also other issues which relate to academics and career decisions.

July – September: Step up!

This quarter we would be looking at stepping up in your involvement with the church, ministry and your relationship with God, friends and family. We’ll be looking at having more social activities in this quarter including visiting another youth group meeting to build relationships with them.

October – December: Recovery

We would spend this quarter focusing on spiritual emphasis in our lives, thanksgiving for the year and success in exams. We will have our first Youth all-night prayer session during this quarter. Please pray for its success. The Youth Activities close off for the year in the first week of December or last week of November.

God Bless!
