

Dear Partner:

In Paul's second letter to the Corinthians, chapter 9, verses 7 and following, Apostle Paul reminds the new believers that "God loves a cheerful giver." By God's grace and through the Holy Spirit's gracious indwelling, that's what I hope for you and all members and partners of Renaissance Outreach Ministries.

I hope you can be cheerful because of the wondrous blessings you encounter in the multitude of creation's gifts to your life, in the ample gift of salvation in Jesus Christ that you have received and the continuing giftedness you experience through the Holy Spirit's filling you with a transformed spirit of service and love to God and your fellow humans out in the world.

It is time for us all to re-examine how and why we should be cheerful givers, which is why I encourage you to seek the Lord concerning your contributions to Renaissance Outreach Ministries. In all your ways acknowledge Him and He will direct your path.

As you consider sending your monthly or yearly contribution to us please remember God has much in store for you and in all things He desires you to live a healthy and prosperous life. I hope that this year you will leap higher, run faster, and pray harder as we reach for the mark.
