PRAY THE ROSARY

Families meet at 6:30pm in Church. Please come!

Corpus Christi Mass and Procession

Corpus Christi Sunday has long been associated with a procession of the Blessed Sacrament around one's church and /or neighborhood.

Immediately following the 11:00 am Mass on June 6, 2010, there will be a procession of the Blessed Sacrament around the church property, ending with Benediction in the Church. Everyone is encouraged to participate. Those children who recently received First Communion are invited to wear their First Communion clothes and be part of the procession.

For the safety of the participants and in respect of the Blessed Sacrament - do not plan on leaving the parking lot until the procession has returned to the Church.

Re-Blessing of the Pieta Shrine

On Sunday, May 30, 2010, at the 11 am Mass, there will be a Re-Blessing of the Pieta Shrine. This shrine is located in the niche to the left of the doors as you are leaving the church. Take time to stop and see this beautiful addition to our church.

The Pieta was donated by the Filipino community and presented to our pastor at the time, Fr. James Mallahan. Three years ago a restoration project, spearheaded by Mr. Michael Mackay, was begun and most recently the work was completed by Mr. James Jasper and Ms. Susan Scheer.

PERPETUAL ADORATION

St. Therese of Lisieux, so seemingly simple in her complete love for God, so willing to give herself up to Divine Providence, offers many teachings that give us cause for reflection. In one example, she writes plainly of her ambition at the end of her life: "It is just this - to find myself at my death with empty hands - that gives me joy, for, having nothing, I shall receive everything from God." There is such depth and beauty to this statement, not only for the reason of receiving everything from God, but the imagery of standing before Him with nothing. We see in that a cycle, where we are born into this world with nothing that we possess or can carry with us, yet, through God's grace, we receive everything in order that we can glorify Him. At our death, we leave this world with nothing that we can take with us, in hopes of standing before God that we may receive everything from Him for eternity. What, then, do you do with the time you've been given on Earth? What time, talent or treasure do you spend in thanksgiving to glorify God? If you have but only an hour to give, then I have a very worthwhile place where you can spend it. Please call if you're interested in Adoration.

Pray for us, O holy Mother of God

RESPECT LIFE

The Camera Doesn't Lie: Ultrasound Changes American Opinion on Abortion by Bradley Mattes

A recent Gallup poll shows more Americans are calling themselves pro-life than pro-choice. Gallup titled their analysis, "The New Normal on Abortion." It's no longer normal to think an unborn baby is disposable. Even the liberal Slate Magazine had to acknowledge that young people have wised up to the facts.

RESPECT LIFE cont.

"My generation has seen ultrasound photos of ourselves and our siblings," one young pro-lifer told the reporter, "so it's sort of hard to put the 'fetuses are just a clump of tissues' line past us."

As the saying goes, the camera doesn't lie. When young women considering an abortion see an ultrasound of their baby, about 80 percent choose to continue the pregnancy. Pro-abortion arguments crumble when they see a beating heart and tiny, growing body.

That's why it's so encouraging that more than a dozen states are considering ultrasound legislation. The bills require abortion facilities to give women the option of an ultrasound before the deadly procedure takes place. Of course pro-abortion activists are battling the proposals with all the venom they can muster. Suddenly, they're no longer for choice—not when the choice is for women to see their unborn babies.

But just as we wouldn't deny a cancer patient access to vital X-Rays, these mothers should be given the opportunity to review all medical information relevant to their procedure. Abortion facilities already use ultrasounds to determine the size and age of the baby. The problem is that they are notorious for turning the screen away from a mother's eyes. They know that if she sees the child, she'll likely run out that door and never come back. So they simply hide the information for the sake of hard cold cash.

Now that so many states are stepping up to the plate to deal with this blatantly unethical practice, women are one step closer to being given a life-changing (and often life-saving) choice. That makes this a brighter day in America.

Washington Planned Parenthood Overlooks Abortion Safety Standards for Women

by Dan Kennedy, Human Life of Washington

The Washington State Medical Quality Assurance Commission (MQAC) has proposed rules mandating that physicians who perform any invasive procedure requiring sedation in a non-hospital setting must meet certain safety standards. They list, among other requirements, that the office be accredited by one of several recognized accrediting bodies, such as the Joint Commission on Accreditation of Hospitals, CMS, etc.

That is, unless the invasive procedure happens to be abortion. In that case Planned Parenthood or the National Abortion Federation can simply certify that things are A-OK.

And we know how much we can count on those entities to make sure that only the highest standards of patient safety are followed, and that any facility failing to meet those high standards will immediately have its certification revoked.

This kind of blatant exception for the abortion lobby should upset everyone. ...Patient safety should come first.

Attention all Catholic young men ages 13-18! Do you know where your life is going? The Lord Jesus has a great plan for you! You are invited to attend Quo Vadis Days camp to spend time with other young men your age looking at the Lord's call in your life while having a great time. QVD will be held from June 27-June 30 at Camp Don Bosco near Carnation. The cost of the camp will be covered by the Serra Club and the Knights of Columbus. Please contact Fr. The Trinity offers an alternative vision to how our human society can be structured. We often think in terms of competition. We might believe that if someone else profits in any way, then it must be stolen from me. This is called a zero based mentality in which there is only so much to go around and one must fight to maintain one's own portion.

The Trinity is a society based on cooperation and mutual respect. The Son willingly obeys the Father out of love, never feeling that this robs Him of His dignity. The Father only wants what is good for the Son. The Spirit is that love which unites the Father and the Son and us. How much healthier our societies (families, parishes, workplace, clubs, etc.) would be if they were based on the relationship of the Trinity.

RCIA – What is Christian Initiation of Adults?

RCIA is the process by which adults seeking God are embraced by the community and through prayer, example and catechesis are lead to a deeper conversion and eventually initiation into the Church.

Who should join?

The Rite of Christian Initiation (RCIA) is designed for adults who, after hearing the mystery of Christ proclaimed, consciously and freely seek the living God and enter the way of faith and conversion as the Holy Spirit opens their hearts. By God's help they will be strengthened spiritually during their preparation and at the proper time will receive the sacraments fruitfully.

- ◇ **Adults (and children 8 years and older) seeking baptism**
- ◇ **Adults baptized in another faith tradition**
- ◇ **Baptized Catholics who have not completed their initiation**
- ◇ **Catholics who would like to have a better understanding of Church teachings**

Sponsors

Practicing Catholics are encouraged to be sponsors to mentor a candidate and participate in various liturgical rites. Training is provided.

On-Going Process

We have an on-going initiation process at St. Mark. That means - when the Holy Spirit calls someone to a deeper faith and a look at the Catholic Church – we are there for them. So, even though July and August are vacation months for most people – we will still be meeting to answer questions and to teach the doctrine.

Your Invitation!

Introductory meetings are scheduled on three Wednesdays: **June 2, 16, and 23 at 6:30 pm** in the Library. These are informal sessions and our job will be to answer your questions and help you understand the initiation process.

Questions? Contact Marylee Schaeffer in the Parish Office at 206.364.7900

St Mark Rummage Sale, August 6, 7 & 8.

It is time, once again, to start planning for the annual St. Mark Rummage sale. Are you ready? We can't thank enough all the people that generously donated items to support the sale last year. We are hoping that people will be willing to share their useable items to support the parish again this year. Over 100 people volunteered to help last year, and without your help the rummage sale would not have been a success.

This is your opportunity to help your parish by volunteering your time or providing items for sale. If there is someone in the parish that has a place to store items for people that are not able to keep their items until closer to the sale, please let us know.

SCHOOL ENDOWMENT FUND

We have received donations to the School Endowment Fund in memory of Robert & Winona Wartinger and John & Dorothy Favaro

OUR SISTER PARISH IN JAMAICA

We have a sister parish in Jamaica, Holy Name of Jesus. A monthly collection is taken up for their needs and also, when we have extra Masses to say, we send them there. We have sent Masses for: Margaret De Foreest+(2), Mr. Spencer, Dolores Ridge, Quentin Yanuss, and Wilson Rhodes.

Father's Day Novena Cards

Father's Day Cards are available in the vestibule. Please turn in the donation envelopes to the office or in the collection basket as soon as possible. There is no need to wait until the last weekend!

WAR! World War I cost 116,708 American lives. World War II cost 407,316 lives. The Korean War cost 54,246 lives. The Vietnam War cost 58,655 lives. In America, the war against the unborn (abortion) has already cost more than 52,000,000 lives and the casualties are adding up every day. How many more must die in this unjust war?

ANGELORUM AUCTION

Angelorum Pregnancy Services is having their 9th Annual Auction of the Angels on Saturday, June 19th at St. Matthew Parish in Seattle. Tickets are \$40 per person or \$300 for a table of eight. Please join us for an evening of silent and live auctions, dinner, wine and a celebration of life! Reservations can be made online at www.angelorum.org, or by calling Kathy at 425 329 4569, and we ask that they be made by June 15. We are living in an environment that is not friendly to supporting women in a crisis pregnancy situation, and that is why we hear daily from our clients how important the services we offer to them are. Briefly, we offer pregnancy tests, maternity clothes, baby clothes, diapers, community referral services and pretty much anything baby that we have to those in need. All of our services are free of charge and no one is ever turned away. We are a life affirming agency and we operate solely on private donations, fundraising and from the support of church groups such as the Knights of Columbus, Respect Life Committees and Catholic Daughters. Please consider getting together a table of eight of your life loving friends and join us.. It's a lot of fun and it's for the babies!

Many thanks to the **479 families** who have pledged to the Annual Catholic Appeal. At this point, we have **49%** participation. This is a great start towards our goal of 100% participation. If you have not yet pledged, please pick up an envelope from the pew and turn in a pledge so that your name will appear on next week's list.

(If your name appears incorrectly on this list, or if your name is not here and you turned in a pledge, please contact the Parish Office as soon as possible 206-364-7900.)
