

Rite of Accepting the Non-Baptized

The process of Christian Initiation is a gradual journey marked by a number of rituals and culminating at the Easter Vigil with Baptism, Confirmation and Eucharist.

At the 11:00am Mass on November 16, 2008 those seeking baptism (called catechumens) were accepted into the church, given the sign of the cross and claimed for Christ. They are now looking forward to their baptism in water at Easter.

This ritual is also intended to help each of us reflect on our own baptism. Being claimed for Christ and accepting the cross of Christ has more meaning as we progress on our faith journey. We might ask “Do I truly accept the cross of Christ in my life?” “What does the cross of Christ mean?” “What does it mean to be claimed for Christ?” and finally, “How am I living out my baptismal commitment to follow Christ?” Please keep these catechumens in your prayers as they continue their journey of faith. Introduce yourself to them and give them encouragement.

I grew up in the Midwest. My mother and grandparents are Ukrainian Catholic. Although we didn't attend church regularly, my grandmother's faith life influenced me and I always followed many of their beliefs. I also knew God loved me. After searching and evaluating different religions, I believe the Catholic faith is the true church for me. I love to play softball and have a 5 year old Labrador named Indiana. My sponsor is Francesca LaPosta.

I am 10 years old and in the 5th grade in Room 9 at Meridian Park Elementary. I like sports and have many friends. Two years ago my mom took in 2 foster children and I began to struggle because of the divided

attention at home. My mom says that I am very sensitive and so when I started asking God for help and began asking my mom questions about God, she knew she needed some help. Since my mom was baptized Catholic she decided it was time for the whole family to start going back to church. I am very excited about being baptized at Easter. My sponsor is Russ Gamman
