VBS 2012

July 23-27th

I know it seems far off but planning has already begun! We're going to take a trip to Babylon and learn about Daniel and his friends. What kind of courage it took to endure and prevail through some very tough circumstances. Plan to join us for a super fun week!

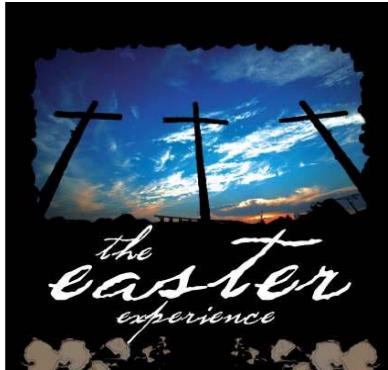

Toys & Electronics @ Church...

I would like to remind parents that we are asking children to not bring toys to class. Latley our offenders have been girls with purses/bags full of toys and trinkets. This is a very big distraction to everyone in the class. Please leave the toys at home or in the car.

Another new issue we have seen since Christmas is ipods, cell phones and game systems. Please remember we are trying to help the kids focus on God and what He has to offer and teach them. Classes are set up with the goal to teach - they don't need to bring entertainment with them. Please help us in this effort!!

Loving Your Children,
Kristen Howell
