Habitat For Humanity Visits Christianville

“The Habitat team with the help of the local community built two houses we (almost) finished them!

Everyone had their hands raised singing "Men Anpil Chay Pa Lou" which is a Haitian proverb that means, "With many hands, the burden is light!"

Loyal Mehnert

The Habitat For Humanity Team made their first visit to Christianville this August. Habitat is planning on building 400 homes between October and November! What an incredible effort. A team of 400 will be staying at Christianville along with President Jimmy Carter and his wife Rosalynn in November. Christianville is pleased to have these special guests stay with us.

300/300 Bridge the Gap Child Sponsorship Program!

A Christian education is a critical avenue of hope in a nation filled with too much hopelessness. You can help us offer that hope to these children.

Starting September 2011, Christianville will be working towards having 300 students sponsored for \$300 per year.

Christianville supports three local mountain schools; Ti Bou Kan, Jean Jean and Tikozen. These are areas where families cannot afford to send their children to school.

Your \$300 sponsorship will provide education for a child for one year, necessities, as well as free medical care and one meal a day.

Please visit our website and click on the Sponsorship Program tab. You may also contact Kim Liberatore at kliberatore@oh.rr.com for more information.

Please consider supporting our effort to educate and feed our children.

You Have Made A Difference!

Thanks to your tremendous support Christianville will start school this year in real classrooms! We are so grateful for all the support and labor that was provided in getting our students out of tent classrooms and into sturdy structures for a positive learning experience. We could not have done this without YOU!

Almost finished!!!!
