

ESCAPE STUDENT MINISTRIES

connect

Kris Howell has been youth minister at WHCC since June of 2006.

Kris has been serving in some form of youth ministry since 1997. He is married to Kristen Howell, the children's ministry director at WHCC, for 15 years. They have three children Kailey, Kourtney and Korey. He loves to spend time with his family. Kris and his wife have known each other since 5th grade. As a family, they love to travel, play games, play with worms, watch movies, cook, eat and lay around. Really they like to do just about anything that they can find to do together.

Since arriving at Woodland Heights, Kris has started

Escape Student ministries.

Escape is a ministry for Jr. and Sr. High students. Escape is all about connecting with students. Kris and his family love spending time with students. Whether it is at church, at a ball game, a concert or hangin' at Taco bell there is nothing more important than developing a relationship with the students God brings to Escape. Once a relationship is formed then there is an opportunity to connect them to Jesus.

Currently, Kris is pursuing a master's degree from Cincinnati Bible Seminary. He enjoys any

opportunity to speak to others about Christ whether in front of a large crowd or with one student while drinking a 100% vanilla shake at Steak & Shake. For those of you that do not know what that is..try ordering one you'll never eat a regular one again...
